

# Bathroom Project Pre-On-Site Estimate

Thank you for scheduling an on-site estimate with Bay State Remodeling!

Before our meeting, please take 2 minutes to share a few key details about your bathroom project.

Your answers will help us prepare a personalized, realistic estimate that reflects your goals, timeline, and preferred investment level — while also ensuring you receive the quality craftsmanship, professionalism, and transparency Bay State Remodeling is known for.

## **Want to explore the full remodeling process?**

Visit our Ultimate Guide to Bathroom Remodeling to learn more about permits, timelines, design phases, and what to expect from start to finish. [Click Here](#)

## Project Timeline

How soon are you hoping to start your project?

- As soon as possible
- Within 1–2 months
- Within 3–4 months
- 5+ months out

If you already have a preferred start date, please specify:

dd-MMM-yyyy

How important is the timeline to you?

- Very important    Somewhat flexible    Flexible

Most standard bathroom remodeling projects take approximately 7–8 weeks to complete from the official start date.

## Project Budget

**Every bathroom remodeling project includes two main parts:**

- **Finishes & Fixtures** — your personal selections such as tile, vanity, lighting, mirrors, and plumbing fixtures.
- **Bay State Remodeling Services** — our complete, start-to-finish remodeling solution. This includes design and drawings, professional labor, project management, permitting, and all related construction services required to bring your bathroom from concept to completion.

**Finishes & Fixtures \***

\$5K – \$10K    \$10K - \$15K    \$15K - 20K    \$20K +

**Bay State Remodeling Services \***

\$30K – \$35K    \$35K - \$40K    \$40K - \$45K    \$45 - \$50K

\$50K +

**How flexible is that range?**

Firm    Somewhat flexible    Flexible

 **Thank You**

---

Thank you for sharing these details.  
Our goal is to tailor the estimate to your specific needs — using our full range of resources, expertise, and trusted trade partners to provide you with the best, most cost-effective solution for your bathroom remodeling project.
